## Chapter 1 by Audy Swanson

When I walked out all I could see was a flickering street light. I was scared and couldn't believe what had just happened. My family, friends, and everything that was important to me, gone.

## Chapter 2 by Audy Swanson

Everything, and everyone is gone because of him. I invited him over so in a way this is all my fault, My fault everything and everyone I love is gone.

"His name is Jack," I tell the police.

"Did you personally know him?" they asked me back.

"Yes," I said just loud enough for him to hear me, "He is my best friend."

"Ruthie, I understand that he was your friend but don't invite people into your house unless you know their story."

"BUT I DID KNOW HIS STORY!" I yelled at him, and ran out of the room, and started to cry.
